WEB SITES AND APPLICATIONS

- **Web applications for real cryptocurrency price tracking, mining calculator, and converter.**
  https://cryptobitsreview.com

- **Web applications for online typing invoices, statistics, reports, settings (date and number format, payment currency, number of decimals), creating PDF files from the application and sending them via e-mail. The application contains an integrated API of the National Bank of Serbia for importing data from a certain company by the company's tax number. The following are some of the application's screenshots:**
  https://drive.google.com/file/d/1s2RcE1CPZFUgB-mU2kjGcYEbMPohO_MS/view?usp=sharing
  https://drive.google.com/file/d/1Hbw7Yu-FFyrPK68xlbXnKIgWmppEvwbw/view?usp=sharing
  https://drive.google.com/file/d/1dkHROBTCWdfrKUxVhIMlTsUX_hJmaRcu/view?usp=sharing
  https://drive.google.com/file/d/1br6zdki8Y2WSOd4F0sY-7Q-RznepmG2E/view?usp=sharing
  https://drive.google.com/file/d/1ka3kx4q93lTonDZcvrAnQYbOAFW4lGnh/view?usp=sharing
  https://drive.google.com/file/d/17OFnnOj7qK95igVyjLGzT7XArWdWDH9F/view?usp=sharing

- **Web application for display of natural resources in Serbia (national parks, lakes, nature reserves, etc.) using Google Maps with markers. There is option to view the distance route between two objects. The following are some of the application's screenshots:**
  https://drive.google.com/file/d/0B6MUxxA25YBTaVdyMkRQUEsyMFk/view?usp=sharing
  https://drive.google.com/file/d/0B6MUxxA25YBTWXFyZXFJZTB0eEU/view?usp=sharing
  https://drive.google.com/file/d/0B6MUxxA25YBTcGpZTF96Q1lKQVk/view?usp=sharing

- **Maintaining web site *http://casadellaceramica.rs* (Wordpress)**

ANDROID APPLICATIONS (ANDROID STUDIO, JAVA, XML, IONIC)

- *Load Pic -* Gallery of pictures; lists all pictures and videos from internal and external memory; full-screen zoom and slide inside album; rotate and flip options; crop images, showing map with location (if GPS data exists).
- *S-Kontrola GPS -* Satellite tracking of devices using connection to MySQL server. The following are some of the application's screenshots:
  https://drive.google.com/file/d/0B6MUxxA25YBTcndkTXROMXZgaDQ/view?usp=sharing
  https://drive.google.com/file/d/0B6MUxxA25YBTU1cwbDd2WE9ac3c/view?usp=sharing

- *Mini Tourist Dictionary -* dictionary with many languages (upcoming)

DATABASES

- *Database of overhaul and production of rail vehicles (Šinvoz, Zrenjanin)-* graduation thesis
  - Microsoft Access with VBA

OTHER

- **Genealogy software „*Genealogy 2002*"**

- Visual Basic
- MS Access
  - **Pigeonry software „*Flying 2002*"**
    - Visual Basic
    - MS Access

LANGUAGES

- Serbian - mother language
- English – full professional proficiency

PERSONAL CHARACTERISTICS

- Responsible, disciplined, persistent and entrepreneurial
